

Westchester Works Child Care Scholarship Program 2024

The Westchester Works scholarship is being provided by the Westchester County Department of Social Services (DSS) and administered by the Child Care Council of Westchester, Inc. It is available to working Westchester County, NY families to help cover the costs of child care for their children.

You have 30 days from your application submission date to provide all required documents and start your child in care with an approved provider.

The scholarship is a monthly award, based on your child's age, the type of provider, and the number of days in care. See below for Scholarship Award Breakdown.

The scholarship does not pay for the full cost of care; you are responsible to pay your provider the difference between the scholarship award amount and what your provider charges. If the provider charges less than the scholarship award, we will only pay up to the amount the provider charges.

The scholarship will begin the first day of the month the application is received through December 31, 2024, as long as you and your provider are approved and remain eligible.

Note:

- Your information may be shared with the Westchester County Department of Social Services Child Care Assistance Unit to determine that you are not already receiving or eligible for child care assistance through their program.
- Due to high demand, you may be placed on a waitlist. To be considered for a spot on the waitlist, applicants must complete the scholarship application process in full.

Please note you will receive emails from scholarships@cccwny.org about your approval, denial or need for additional documents. These emails often go into the junk/spam folder. Be sure to check these folders.
