

## Medical Agreement With Parent

The Children's Center cannot allow any child who is ill to enter the classroom. If a child becomes ill, the child cannot remain in the classroom. Other arrangements for care when your child is sick should be in place.

- Parents will need to have a back-up caregiver (two would be advisable) for the care of an ill child.

I agree not to bring my child to school with a fever or any other symptoms of illness. If my child has been sick the night before i.e. – vomiting, sore throat, earache, fever, my child must remain home on the next school day. She/he may return to school as long as any symptoms and/or fever has been gone for at least 24hrs without any fever reducing medication.

If my child becomes ill while in school I will pick up my child from the Children's Center.
